### **3 BEACHHUIS, ENGLAND**

**WHAT?** Brainchild of London-based brand gurus i-am Associates, the wittily monikered Jabba hut was one of four winning entries in a competition to re-imagine the Beach Hut for the 21st Century. Sat amidst rolling dunes outside Mablethorpe in Lincolnshire the layered construction of cedar wood, glass and colour anodised aluminium is billed as the world's first contemporary cave and opens for daily public hire this summer.

**COME HERE FOR** quintessentially British seaside treats: fish and chips and a Kiss Me Quick hat. Who knows? You might just get lucky.
